

Annual Reports

of the

Town Officers

of

WALPOLE

NEW HAMPSHIRE

for the Year Ending December 31, 1989

and

Walpole Fire District

for the Year Ending December 31, 1989

" MR. CHAIRMAN"

Leslie Hubbard, Chairman of the Walpole Conservation Commission for the past fifteen years, resigned from this position October 2, 1989. Harold Putnam, a relative newcomer to the Commission, but a native of Walpole, was elected by his peers to serve as Commission Chairman.

Les was completely dedicated to his work on the Commission. He gave it his first and fullest attention each day. We all, the residents of Walpole, owe Les more than we can ever repay for giving us a better place to live.

Town of Walpole, New Hampshire

TOWN WARRANT 1990

To the inhabitants of the Town of Walpole qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 13th day of March next, at ten o'clock in the forenoon to act on Articles 1 and 2. Polls will remain open until 7:00 p.m. Following the counting of ballots, the meeting will be recessed until the 24th day of March next at 9:30 a.m. in the forenoon, at which time the balance of the Articles will be acted on.

Article 1: To choose the necessary Town officers for their respective terms.

Article 2: Are you in favor of the adoption of the amendment to the Flood Plain District Article of the Walpole Zoning Ordinance as proposed by the Planning Board and as mandated by the Federal Government and as on file at the Town Offices.

Article 3: To see if the Town will vote to raise and appropriate the sum of \$1,346,840.00 for support of Town Poor, for Town Libraries, to build and repair bridges and highways and for such other expenses as may accrue.

Article 4: To see if the Town will vote to authorize the Board of Selectmen to raise money on notes of the Town for current expenses in anticipation of taxes.

Article 5: To see if the Town will vote to accept such funds and bequests as have been left to it during the year.

Article 6: To see if the Town will authorize the Board of Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector Deed, by public auction (or Advertised Bid), or in such other manner as determined by the Board of Selectmen as justice may require.

Article 7: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend monies from the State, Federal or other governmental units, or a private source, which become available during the year in accordance with the provisions set forth in New Hampshire R.S.A.s.

Article 8: To see if the Town will vote to raise and appropriate the sum of \$47,825. to purchase a 1991 truck with 2 way dump body, with live power pump and all necessary hydraulic equipment to meet Federal Standards and to authorize the withdrawal of the funds required from the Heavy Highway Equipment Capital Reserve Fund for this purpose.

Article 9: To see if the Town will vote to raise and appropriate the sum of \$25,000. to purchase a 45-55 horsepower 4 wheel drive tractor with rotary over-the-fence mower and all attachments and to authorize the withdrawal of the funds required from the Heavy Highway Equipment Capital Reserve Fund for this purpose.

Article 10: To see if the Town will vote to raise and appropriate the sum of \$20,000. to repair the Great Brook Bridge near the Watkins Hill water pump station.

Article 12. To see if the Town will instruct the Selectmen to tear down or demolish the two most northerly bays of the Old Town Garage located on School Street and to repair remaining portion of the garage suitable for cold storage for various Town Departments. Heat will be restricted to small office and rest room area. This work to be done by the Highway Dept. By Petition.

Article 13: To see if the Town will vote to establish as Town Forest, as authorized by RSA 31:110, the following parcels of land, to authorize the Conservation Commission to manage the town forests under the provisions of RSA31:112 II, and to authorize the placement of any proceeds which may accrue from said forest management in a separate Forest Maintenance Fund, which shall be allowed to accumulate from year to year as authorized by RSA 31:113,

<u>Parcel</u>	<u>Location</u>	<u>Approx. Acreage</u>
A. Water Company Lot	East side Reservoir Rd.	134
B. Reservoir Lot	East side Reservoir Rd.	54
C. Trombley Lot	Scovill Rd.	24
D. Pinnacle Lot	Evans Road	23
E. Merriam Lot	Merriam Rd.	12
	Total	<hr/> 247

By Request.

Article 14: To see if the Town will vote to deposit directly into the Conservation Fund at the time of collection twenty-five per cent (25%) of the future revenues received from the use change tax imposed when land in "current use" is developed, and from any penalty for early release of a discretionary easement, as authorized by RSA 79-A: 25II. By request.

Article 15: To see if the Town will vote to authorize an increase in the number of members of the Conservation Commission,. not to exceed the maximum, of 7 allowed by RSA-36-A. By request.

Article 16: To see if the Town will vote to instruct the Selectmen to appoint a committee to obtain estimates for the cost of renovating the old Fire Station to fill the future

office needs of the Town and to raise and appropriate the sum of \$1,500.00 to cover expenses incurred by this committee. This committee to report back to the Town in time to hold one or more Public Hearings prior to the next Town Meeting. By Petition.

Article 17: To see if the Town will vote to raise and appropriate the sum of \$1,300. for the purchase of Body Armor for Police Dept. Personnel. By request.

Article 18: To see if the Town will vote to raise and appropriate the sum of \$7,500. to hire a recycling center supervisor. By request.

Article 19: To see if the Town will vote to raise and appropriate the sum of \$1,500. to help defray the expenses of the Old Home Days celebration to be held June 28, 29, 30 and July 1, 1990. By request.

Article 20: To see if the Town will vote to raise the sum of fifteen hundred (\$1,500.) dollars to pave a thirty by thirty foot basketball court on the Common in Drewsville for public use. By petition.

Article 21: To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." By petition.

Article 22: To transact any other business that may legally come before the meeting.

Given under our hand and seal, this 22nd day of February in the year of our Lord nineteen hundred and ninety.

James E. Nelson
Robert L. Galloway
Roman E. Farquhar

Selectmen of Walpole

STATE OF NEW HAMPSHIRE
DEPARTMENT OF REVENUE ADMINISTRATION

October 13, 1989

Board of Selectmen
Town of Walpole

Your summary Inventory of Property Valuation and State of Appropriations have been approved. You may proceed with the assessment of 1989 taxes on the basis of the following figures:

Net Assessed Valuation \$99,004,260

Taxes Committed to Collector:

Town Property Taxes Assessed	\$2,858,253
Precinct Taxes Assessed	196,924
Total Gross Property Taxes	<u>\$3,055,177</u>
Less: Est. War Service Tax Credits	14,350
Net Property Tax Commitment	<u>\$3,040,827</u>

Tax Rate - Town	\$28.87
-Precinct - No. Walpole Village	7.72
-Precinct - Walpole Fire District	.73

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation. In accordance with RSA 21-J:35,II, we also enclose a written explanation of the change

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$2,057,151
County Tax Assessment	335.742
Net Precinct Appropriation (1)	196,924

In arriving at the above approved rate the Overlay has been set in the amount of \$10,462.

Very truly yours,

Barbara T. Reid
Director

A payment of \$36,385 will be due each year through May 19, 2009

The Walpole Sewer Project

First Phase - North Walpole

This phase of our sewer project has been in operation since July 1988. While there have been the usual number of bugs to iron out, particularly at the pump station, the project, as a whole, has functioned very well. We are now pumping to the treatment plant an average of some 64,000 gallons per day of wastewater that formerly went into the Connecticut River.

Second Phase - Wastewater Treatment Facility

This is the part of the project that is helping to pay for the upgrading of the Bellows Falls Wastewater Treatment Facility. While our responsibility is limited to financial assistance, we are naturally vitally interested in the progress that is being made and the quality of the work being performed. The work is well ahead of schedule and from all reports it will be a top notch facility. The plant is now meeting the requirements of a Secondary Treatment Plant.

The people involved in this project are to be congratulated for their accomplishments to date.

During 1989 we made two payments of \$115,447.95 each, which leaves only the final payment to be made. These payments include the State's share, for which the Town will be reimbursed approximately \$85,000. for each payment.

Total Expenditures \$599,459.13

Cash in Checking Acct. #930-05856-Dec. 31, 1989 \$ 3,978.10

Phase III - Walpole Village

Phase three of the project is progressing in good style. We had hoped to have all the pipe in the ground by the end of the year. However, for several reasons, we didn't make it. We still must do Good Circle and High Street plus several lines to take care of special conditions.

As this is being prepared, the TV inspection of the old sewer lines which will become part of the new system is underway. The pump stations are nearly finished.

Then, of course, the final testing, paving and clean up will start as soon as weather permits.

Those on the system will be notified when they can tie their homes into the mains. The sewer ordinance specifies that owners are to be allowed ninety days from the date the go-ahead is given to complete their work.

Board of Selectmen
Town of Walpole, New Hampshire

We have examined the general purpose financial statements of the Town of Walpole, New Hampshire for the year ended December 31, 1988, and have issued our report thereon dated June 20, 1989. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary solely to determine the nature, timing, and extent of our auditing procedures. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole, and we do not express such an opinion.

However, during our examination we became aware of several matters that, while not involving material weaknesses in internal accounting control, are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding these matters. A separate report dated June 20, 1989 contains our report on material weaknesses in internal accounting control. This letter does not affect our report dated June 20, 1989 on the financial statements of the Town of Walpole, New Hampshire . for the year ended December 31, 1988.

We have already discussed these comments and suggestions with various Town personnel, and we will be pleased to discuss them in further detail at your convenience, to perform additional study of these matters, or to assist you in implementing the recommendations.

The purpose of this letter is to provide constructive and meaningful recommendations to you.

Sincerely,

Carey, Vachon & Clukay, PC

PRE SIGNED CHECKS

During the course of our audit, we noted that the Treasurer signs batches of checks before they are written. These presigned checks are held in the safe until they are issued and signed by the selectmen. While this practice is convenient for Town officials it weakens control over cash. We recommend that checks be signed only when issued, and that blank checks never be signed.

TIMELY BANK DEPOSITS

We noted that bank deposits were not always made within a reasonable time after receipt of the money. While we realize that these occurrences were generally during the busy times of the year, we recommend that deposits be made as often as possible to improve cash availability and increase interest earning power.

APPROVED PAY RATES

We found no employee pay rates approved by the selectmen. Employees were paid the rate "they always get" and could be given a raise orally by the department head. We recommend that approved pay rates be maintained, whether in individual's files or on a master listing. We feel that this would serve a dual purpose, first as a guideline in the preparation of payroll and secondly as an assistance to the Selectmen in monitoring the expenditures of the Town.

HIGHWAY DEPARTMENT DISBURSEMENTS

In the prior year, we noted that the Highway department had its own checkbook to use for all highway department expenditures, which was not in the hands of the Treasurer. During the year, this account was transferred to the Treasurer, but is still used for highway disbursements. We recommend that this account be closed into the general checking account and all disbursements be made from one account. This would make the Town's bookkeeping function less complicated, and decrease the workload of the Treasurer by eliminating bank transfers to this account and the reconciliation of the account.

PROPERTY TAX BILLINGS

The Town continues to bill its property taxes to the nearest cent. As in prior years, we recommend that property tax bills be rounded to the nearest dollar as allowed by State law. We feel that this change would help minimize the chance of error and make the tax collector's records easier to manage.

REPORT OF TOWN AUDIT

REPORT OF THE WALPOLE TOWN LIBRARY TRUSTEES - 1989

1989 was a planning year for the trustees. Three committees were formed to work on long-range plans. These committees were a Personnel Committee, Buildings and Grounds Committee, and a Community Resource Committee, which included automation plans for the libraries. Needs were established, recommendations made, and priorities set for the next five years. These decisions insure that current and future budget requests from the town are reasonable and necessary to provide services and materials for library patrons and to provide needed repairs and upkeep of the buildings and facilities.

A print was given to the North Walpole Branch Library in memory of Mrs. Capron, who served as librarian for eighteen years. The print has been framed and will be hung in the library with a plaque added to commemorate Mrs. Capron's years of service to the library.

The Friends of the Bridge Memorial Library had several fund raising events this year. They sold note paper with a sketch of the Bridge Memorial Library on it, and they held a book sale in July. "A Taste of Walpole", a bake sale of gourmet food, was held in October, and in December the raffle of an old-fashioned Santa, made by Nan Bopp, was successful.

Money raised at these events bought magnifying sheets, a globe, a book rack, an antique display case, and Christmas decorations for the library. Also, \$300.00 was given toward the cost of the Encyclopedia Americana.

In the spring, the Friends of the Bridge Memorial Library sponsored four lectures on death and dying, and in October Paul McGuirk conducted a program on stamps and stamp collecting.

At the end of June, Jean Kobeski, Chairperson of the Children's Programs, began a bi-weekly pre-school story and crafts program. Jean also organized a summer reading program for children from kindergarten through 6th grade, which included weekly activities and ended with a party. These summer programs were very successful, and in July and August the library saw an increase of 352 books in the children's book circulation from the previous year. In the fall, Jean organized a series of holiday workshops and a Christmas party, which included trimming the tree and a film. A grant, donations, and funds from the Friends of the Bridge Memorial Library provided a concert and lecture by Debra Stuart, which was well attended by children and adults. On behalf of the trustees, I want to thank Jean for her work in providing interesting and exciting children's programs at the Bridge Memorial Library.

The Friends of the Bridge Memorial Library sponsored several exhibits. Marcia Ahlefeld's display of wild life photograph brightened the library, and displays of gardening books and movie books were also featured.

At the Friends of the Bridge Memorial Library annual meeting in April, bylaws were adopted by members present. Nicolas Daniloff was the guest speaker. At the annual pot-luck supper held in October, Robert McGrath gave a slide show titled "Art of the White Mountains".

A wing chair and an oak table for the reference room were purchased by the trustees with funds given in memory of Rense Kolvoord.

I want to thank those people who have donated money to the library in memory of friends or relatives, to commemorate a special occasion, or simply as a gift. Books purchased with these gifts not only provide a thoughtful way to remember loved ones and special events but they provide hours of reading pleasure for library patrons. In these years of budget restrictions, these books are an especially welcomed addition to our library collection.

Respectfully Submitted,

Joan Horskin, Chairperson
Board of Trustees

REPORT OF THE WALPOLE CONSERVATION COMMISSION

1989

Following the timber harvest work of previous years along Reservoir Road on both the Water Company Lot and the Hooper lot, the usual "mess" of a log yard was left along the roadsides. John Calhoun, Project Forester, arranged for proper clean up and seeding of the affected areas. You who pass by these areas will notice wood waste pushed off into the forest edge. At the time this work was done, waste wood of this size could neither be burned or buried, per EPA regulation. Later in the year, regulations changed that would allow burying this waste, but too late for our project.

It was necessary to clear cut a stand of red pine on the Hooper Lot. You will see this area on the west side of Reservoir Road just north of the Donald Hubbard property. These trees became infested with a "Pine Bark Beetle". The cure, clear cut of the area, remove all large wood and burn all debris, was prescribed by Dr. Tom Harrington, Plant Pathologist at U.N.H.. We will continue to monitor this section of town forest for further infestation.

Additional work is being planned that will bring about timber cutting at some forest locations. This work will be conducted in a professional manner by a consulting forester. We are also going to ask the New Hampshire Fish and Game Department for counsel and advice so that our forest work will allow the best possible habitat for wildlife.

It has been reported earlier that the Conservation Commission was successful in completing two land acquisition projects involving the Land Conservation Investment Program - thirty five acres of the riverfront north of the Westminster Bridge being donated by Hubbard Farms to the New Hampshire Fish and Game Department. The assessed value of this property allowed for matching funds of Twenty Five Thousand Dollars be paid to the Town for use of a land purchase of forty five acres of woodland fronting along the Mill Pond east shore. As it adjoins land the Town already owns, acreage around the Mill Pond now totals 85 acres. This is valuable wildlife habitat and will be maintained as such. It will also be posted as a conservation area, and no hunting or trapping will be allowed.

Van Garrison and Alan Perkins have supervised the clearing and building of a trail network around the Mill Pond, including the newly purchased land. We wish to thank Fritze Till, and her "Trail Builders" from the Walpole Schools, as well as the Walpole Grange, for their volunteer work on these trails.

Early in 1989 a trail clearing project was done at the Mason Forest. Using Mason Fund monies, which are for this purpose, a man was hired to clear a trail beginning at the north end of the east side rest area. It is estimated this trail is one and two-tenths mile in length. It was designed to allow persons of all ages to walk it with minimum of difficulty.

We hope Walpole residents will avail themselves of these trails. Walpole enjoys the position of having the third largest town-owned forest lands in New Hampshire.

We had planned to complete repair of the bridges and build a new entrance to the Academy Ravine off School Street. This work was put on hold when the Mendon Pipeline Company was allowed to use the area as a parking lot. Once the Sewer project is completed, we will continue with our planned work for this area.

Many Walpole residents registered anger and disgust at the senseless act of vandalism of the picnic shelters built by the Conservation Commission ten years ago at the Route 12 rest areas. Joe Smith salvaged the roof structures and will restore them in position using iron supports, as soon as weather permits.

Frederick Werner, a descendant of the Knapp family, visited Walpole several times during 1988 and 1989. It was his desire to carry on his family tradition of benevolence to our town. Consequently, he has given over five promissory notes, payable to the Walpole Conservation Commission in 1994. The total value of these notes is over twenty five thousand dollars. This money, when received, is to be used in furthering conservation work in Walpole. It is also his wish that his generosity will spark an interest in others to make donations of money or lands to the Town of Walpole for conservation purposes.

The Conservation Commission members wish to thank all Walpole residents for their willing cooperation during 1989. The list is long, but, notably, "Chip" Whitcomb for providing, transporting and setting a large stone by the Mill Pond. There is now a commemorative plaque on this stone; R.N. Johnson for providing equipment to relocate stones at this site; Hubbard Farms for their generous donation of land; the Selectmen and personnel at the Town office; Joe Smith and the Highway Department people. We have also called upon our Fire Chief and Forest Fire Warden for advice from time to time. The people of Walpole owe you all a vote of thanks.

Walpole Conservation Commission

Harold S. Putnam, Chairm
Leslie Hubbard
Frank McGill
Alfred Bertin
Alan Perkins
Van Garrison

WALPOLE WATER & SEWER DEPARTMENT

I would like to thank everyone for being patient and understanding about our new sewer system going in these last few years. We realize the dust, no water, traffic tie-ups, etc. will be far outweighed by the new waste water facilities when they are all complete.

We realize we have much work to do on our water system with mains that need installing, cleaning mains and a few new house services that need changing, but when the sewer system is in and complete, we can then start doing repair work on the water system as monies are available.

Many of you will see us in your homes in the month ahead as we change water meters or add them where needed.

We have had to do a complete overall of our river pump in the past year. It was 25 years old and had to have a new pumping bowl assembly installed. We have also added a hydrant and a new 6" water service for the new fire station, which will have a new sprinkler system when money becomes available.

Please feel free to call me with questions or troubles 24 hours a day at the town office 8:30 a.m. to 5:00 p.m., or at my home 756-9871 evenings and weekends.

William E. Houghton
Supt. Walpole Water Department

WALPOLE POLICE DEPARTMENT

During 1989 the Walpole Police Department responded to Seven Hundred and Thirty Two calls for assistance. These calls ranging from burglar alarms, domestic disputes, suspicious vehicles and persons, vandalism, OHRV complaints, criminal complaints, fire and ambulance assist, motorist aid calls and motor vehicle accidents, which totalled forty three.

During May 1989, Officer Carl Baird joined our Department and has proven to be a very welcome asset and professional Police Officer. In December 1989, Eric Staab resigned as an Officer. Consequently, I've asked the Selectmen for permission to hire at least one new officer.

I've requested the Selectmen to place two articles in the Town Warrant, one to renovate and furnish the Water Department Garage on High Street as a Police Department. The other Article is for the purchase of body armor for all officers, which is becoming more necessary every year. These two Articles are badly needed by the Department.

Each year I ask that residents, please, if you are going away on vacation or just for the weekend, to contact the Selectmen's Office or any Police Officer for a request for Home Security Check.

Our appreciation for the donations to the Police Benevolent Fund. They will be put to good use. Last year, donations were used toward the purchase of new uniforms. I thank you and my men thank you.

My appreciation to the people of Walpole, especially the Fire and Ambulance Departments for their continued assistance and cooperation.

Respectfully submitted,

Roger W. Clark, Chief of Police

REPORT OF THE HOOPER INSTITUTE - 1989

The Hooper Institute has had a very busy year with its school and community programs. In the schools, Fritze Till and I visited every classroom at the Walpole School on a weekly basis. Community programs were well attended. The Farm and Forest Museum at the Hooper Institute continued to flourish.

Winter activities in the schools reflected the season. There were lessons on how plants and animals adapt to winter weather. Fifth graders trekked to the Hooper Shelter for a winter survival cookout. Third graders studied endangered species.

Fourth graders participated in the Farm and Forest Project sponsored by the Hooper Institute for the seventh year in a row. They visited a sheep farm, sugarhouse, sawmill, wood turning shop, produce farm, commercial greenhouse, dairy farm and a beekeeper. They observed a sheep being shorn. The entire class learned how to card and spin wool and weave a finished product. A program of this depth would not be possible without the generosity of the many people who hosted our visits.

Sixth graders spent the winter and spring learning about the Connecticut River watershed. We used maps, slides, games, water quality tests, and field trips to learn about the cultural and natural history of our home valley. A two day, overnight canoe trip on the river culminated their studies.

Other spring lessons included birdwatching and bird behavior, signs and sounds of spring, seeds and planting, reptiles and amphibians and a unit on geology. Environmental issues were explored with lessons on recycling and oil spills.

Seventh and eighth graders worked outdoors with Fritze Till as "Trailbuilders" on school and community nature trails. They also worked indoors to set up a recycling program for the school.

The Summer Program for younger children had the best attendance of any year with seventy children signed up. For three mornings per week Fritze Till and the children explored the fields, forest and ponds of Walpole. A program of this size would not have been possible without the generous help of several program assistants.

Autumn in the schools brought the return of such seasonal lessons as hawk watching, insects, mushrooms and apples. Fourth graders visited apple orchards to pick their own and pressed the apples into cider. Trees occupied many of our lessons as children studied the oaks, leaf identification and color change, and trees as habitats for wildlife. Trees as beaver food were studied as the primary grades tramped to the Mill Pond to observe beavers in action. Evergreens and conifers rounded out the tree lessons near Christmas time.

Other Fall lessons included the use of a compass, bones and skeletons, wild turkeys and domestic chickens, the importance of soil and a unit on oceanography.

Community programs included adult natural history rambles to various locales in Walpole in the Spring and Fall and evening stargazing for families. The Boy Scouts helped plant new Christmas trees at Hooper and marketed mature ones in December.

The Farm and Forest Museum at the Hooper Institute had 721 visitors in 1989. Admission was charged to out-of-town residents. We hope to use the \$816.50 income generated for scholarship fund. This would benefit a Walpole resident who intends to study agriculture, forestry or botany on a college level.

Thanks to all the volunteers and hosts who have helped make this such a successful year for the Hooper Institute.

Respectively submitted,

Eloise Clark, Director

WALPOLE SENIOR CITIZENS

President	- Josephine Jeffrey
Vice President	- Nathalie Nelson
Secretary	- Marion Fennessey
Treasurer	- Lillian Edwards

The Walpole Senior Citizens meet at the Walpole Congregational Church and/or St. Peter's Church in North Walpole on the third Monday of each month. Pre-determined committees serve the pot luck luncheons. Business meetings follow the luncheons. Reports are read and future activities are planned.

We have an entertainment committee that provides interesting entertainment such as singing, showing slides, speakers and bell ringers, instruments, etc.

In June, we enjoyed a trip to the Rockingham Race Track in Salem, N.H. The fifth race of the day was dedicated as "Walpole, N.H. Senior's Purse". Some won, some lost, but a good time was had by all, including a delicious buffet served all afternoon in the Club House at our convenience.

Pauline Durling donated another beautiful afghan to be raffled off. That was won by Carmen Kenyon. This added a little over \$100.00 to our checking account.

In August we took a trip to Boston, Mass., had lunch at the "Cherry Stone Restaurant" on the harbor, then on to see the play "Nonsense" at the Charles Playhouse.

In October our trip to East Windsor, Conn. to the Coachlight Theater where we saw the play "West Side Story". That was enjoyed by most all. As usual, a beautiful buffet was served and enjoyed by all.

Our Christmas party was held at the Homestead Inn with about 45 attending. A most delicious luncheon, a choice of turkey or scrod, was served. We later had a sing-along with Bernard Bixby at the piano and exchange of Christmas gifts. That was lots of fun. A very enjoyable afternoon was had by all. Even the weather cooperated with us.

We would like to have anyone over 50 years of age, a resident of Walpole, North Walpole and Drewsville, come join our Senior Citizens Club. There are no dues or membership fees. A good time is had by all. A good way to meet new friends and enjoy the present friends and old friends.

A group of Senior Citizens bowl every Friday morning at Yankee Lanes in Keene, N.H. We would welcome more friends to join us at 9:00 a.m. The group sometimes go out to lunch. If you need a ride, please contact our committee. It is lots of fun and good exercise.

SENIOR CITIZENS TREASURER'S REPORT

Cash on hand 1/01/89	\$ 388.71
Total Receipts 1989	<u>2,500.07</u>
Total Cash	\$ <u>2,888.78</u>
Total Expenditures 1989	\$ <u>2,055.51</u>

PARK AND RECREATION

The Frank W. Whitcomb Walpole Recreation Park had another successful season. The Recreation Committee would like to thank everyone who helped to make this possible. Especially the pool managers and life guards, Billi McCullough, Amy Mills, Derek and Diane DeCoste, Oona McCullough and Kurt Houghton. The park sold 123 memberships and numerous swim lessons were taught by the park's well trained staff.

Receipts:

Pool Memberships	\$ 4,045.00
Swim Lessons	1,568.00
Daily Fees	1,698.35
Pepsi Cola Machine	1,597.45
Miscellaneous	<u>338.05</u>

<u>Total Receipts</u>	<u>\$9,246.85</u>
-----------------------	-------------------

Expenses for the pool and park came to \$22,879.20.

Actual cost to the taxpayers for this area was \$13,632.35.

WALPOLE RECYCLING ACTION PROJECT

For the Year Ending December 31, 1989

Forty six volunteers ran the recycling operation at the Walpole landfill for the entire year. They learned to operate the new equipment, kept pace with the increased load of materials brought by increased numbers of recycling participants, and adjusted quickly to new procedures necessitated by the growth in volume and diversity of products.

A wide variety of plastic containers began to be processed when a plastics granulator was set up in the landfill equipment shed. The large volume reduction when plastic bottles are converted to small chips saves much landfill space. The chips are also valuable.

A composting operation for yard wastes was started. This also saves landfill space as leaves, grass clippings and so on shrink in volume as they decompose in air.

Markets changed. Aluminum cans and dishes are now picked up and paid for by a local processor. Newspapers are loaded into the truck of a Walpole dairy farmer who shreds them for cattle bedding. Cardboard is picked up by a Vermont company that converts it into fuel pellets. To handle our increased cardboard volume, a used trailer was purchased and located north of the box car with a loading dock between the two.

Glass, clear, green and brown, is taken in Town trucks to Claremont. The volume of glass crushed has grown so much that an electric glass crusher was purchased to relieve volunteers of crushing by hand. This change resulted from a volunteer's suggestion made at the meeting held for volunteers in July at which our procedures and guidelines were reviewed and brought up to date.

One profitable sideline of recycling bottles and cans, namely returning deposit containers, has grown along with the overall volume. We received \$537 in 1989 from such returnables. The recycling operation brought in \$4400. This does not include the sale of scrap metal, long done by Walpole, but does include the \$2500 grant for equipment we received from New Hampshire the Beautiful.

Routine maintenance was carried out by some of our specially skilled volunteers. The blades of the plastic granulator, however, had to be professionally sharpened. We purchased a spare set of blades to reduce down time during sharpening. The loading dock, mentioned above, was built by volunteers, as were ramps to give easy access to the storage areas.

All of this was accomplished within our budget. In fact, because we obtained a used plastic granulator, which we were able to recondition, we saved about \$8000. This kept our total expenditures to \$8303.

Walpole Recycling Action Project (con't)

In 1990 we plan to hire a recycling center supervisor to keep everything running smoothly. We also see mandatory recycling coming and will continue to examine other town's methods so as to be able to advise the Selectmen at the appropriate time as to facilities, ordinances and manpower.

Ira and Jimmy Sanborn have cheerfully continued to help the volunteers and Joe Smith's crews have kept the glass product moving. To them and to all the volunteers go hearty thanks.

REPORT OF TOWN FIRE WARDEN
AND
STATE FOREST RANGER

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, children and debris burning fires that escaped control. All these causes are preventable, but only with your help.

Please help your town and state forest fire officials with forest fire prevention. By New Hampshire State Law (RSA 224-27b), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for paying all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in Allenstown, Alton, Chesterfield, Concord areas, as well as the 100 acre fire on Mt. Belknap in Gilford.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Land at 271-2217.

FOREST FIRE STATISTICS - 1989

	<u>STATE</u>	<u>DISTRICT</u>	<u>TOWN</u>
Number of Fires	550	61	6
Acres Burned	554	38	1.25

Robert Stewart, Forest Ranger

William E. Houghton
Forest Fire Warden

Fire permits are limited to 5:00 p.m. - 9:00 a.m. Please remember you need a written permit to burn, except when the ground is covered with snow. In the winter with snow, you must call the warden so proper authorities can be notified.

Your Walpole Deputy Wardens are Fire Chief Richard Hurlburt, Deputy Chief George Hurlburt, Jr., Fireman Bernard Sherwin and Raymond Houghton.

Your North Walpole Deputy Wardens are Fire Chief William Callahan, Captain Charles Wright and Edward Hasselmann.

At this time I would like to thank everyone in the Town of Walpole for the outstanding support they have given to the Fire Departments in each section of Walpole. Without this support it would be very difficult for us to do our job and keep Walpole and the area green.

To report a fire or any problem needing attention, please call (603) 352-1100.

William E. Houghton
Walpole Forest Fire Warden

Town of Walpole, New Hampshire

TOWN MEETING MARCH 14, 1989

Article 2: Question #1

Are you in favor of the adoption of Amendment Number 1 as proposed by the Planning Board for the Walpole Zoning Ordinance as follows:

ARTICLE VIII
RURAL/AGRICULTURE DISTRICT

C. Special Exceptions

1. Industrial, Manufacturing and Commercial Operations by Special Exception from the Board of Adjustment when fulfilling the following requirements:
 - a. Such businesses shall be located at least 85' from the center line of any right of way and not less than 20' from each side of side or rear boundary. Greater distances for set backs and boundaries may be required according to the nature of the business.
 - b. Each proposed use must show that it will not infringe on the primary established use of the District.
 - c. No Industrial, Manufacturing or Commercial venture or use shall be permitted which could cause any undue hazard to Health, Safety or Property Values or which is offensive to the public because of noise, vibration, excessive traffic, unsanitary conditions, noxious odor, smoke or similar reason.
 - d. Shall provide off street parking for all vehicles associated with the proposed use. This shall include parking and loading facilities for freight and delivery trucks, employer, employee and minimum of three customers parking spaces shall be required for each establishment. Additional parking may be required based on size and nature of business.
 - e. All signs shall meet the requirements of Part D of the general provisions of the zoning ordinance.
 - f. Site plan review approval from the Planning Board if required.
 - g. Consideration of a recommendation from the Planning Board concerning the proposed business.
2. Conversions of existing larger homes to multi-family dwellings may be allowed by special exception from the Board of Adjustment provided the Board determines that the following conditions are met:
 - a. The property is suitable to accommodate multi-family use without adversely affecting the area.
 - b. Adequate off street parking is available.
 - c. The exterior architectural appearance and/or size of the structure shall not be substantially altered.
 - d. The property has received site plan review approval from the Planning Board.

Yes 482

No 148 Ballot Vote

Article 2 Passed.

The Walpole Town Meeting reconvened Saturday, March 18, 1989 at 9:30. Moderator Dr. I. Tucker Burr introduced Town Officials. Articles #1 and #2 were decided on Election Day, Tuesday, March 14th. Edward Potter explained the budget.

Article #3: To see if the Town will vote to raise and appropriate the sum of \$1,115,331. for support of Town Poor, for Town Libraries, to build and repair bridges and highways and for such other expenses as may accrue.

Article #3 was amended to add \$16,000.00 for services of an Administrative Assistant. This made the amount \$1,117,331. This suggestion was made at the budget hearing.

William Houghton then amended the Article, increasing the figure by \$2,000.00 to be added to the original amount of \$1,200.00 for Fire Equipment & Repairs for the Walpole Forest Fire Account.

After discussion, a hand vote was taken. \$2,000.00 additional amount passed. Yes 137 No 64.

An amendment to Article #3 - to assure a minimum level of professionalism in the administration of Town affairs, the Administrative Assistant shall have a minimum of a Bachelor's Degree from a recognized university in a field appropriate to the administration of Town affairs.

This amendment failed in a hand vote: Yes 115 No 113

After more discussion question 3 was moved.

Article #3 passed voice vote - unanimous

Article #4: To see if the Town will vote to authorize the Board of Selectmen to raise money on notes of the Town for current expenses in anticipation of Taxes.

Passed: Voice Vote

Article #5: To see if the Town will vote to accept such funds and bequests as have left it during the year.

Passed: Voice Vote.

Article #6: To see if the Town will authorize the Board of Selectmen to transfer tax liens and convey property acquired by the Town of Tax Collector Deed, by Public Auction (or advertised bid), or in such other manner as determined by the Board of Selectmen as Justice may Require.

Article 6: Passed Voice Vote.

Article #7: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend monies from the State, Federal or other Governmental units, or a private source, which becomes available during the year in accordance with the provisions set forth in New Hampshire R.S.A.s.

Article 7 passed Voice Vote

Article #8: To see if the Town will vote to authorize the Selectmen to hire outside auditors, this article to be in force until rescinded.

Article #8 passed: Voice vote.

Motion was made by Paul A. McGuirk and seconded by Robert Graves to delay Articles #9 thru 19 and move directly to Articles #20 and #21.

A second amendment was made by William Crabtree to start with Article #19 delaying Articles 9-18.

This amendment failed with a voice vote.

It was then voted to move to Articles #20 and #21 delaying Articles #9-#19 until after Article #21.

Passed with a Voice Vote, no opposition.

Article #20: To see if the Town will vote that it was the intent that debt service costs of the Walpole Sewer System Project be assessed fifty percent (50%) upon the taxpayers and fifty percent (50%) upon the users of said system, and that the Town Sewer Ordinance be amended accordingly.

William Webb made the motion seconded by Robert Graves.

An amendment to Article #20 was made by Paul A. McGuirk and seconded by Robert Graves.

Moved that to see if the Town of Walpole will direct the Selectmen to amend the Town of Walpole User Charge System to provide that all capital and interest costs of the Walpole Sewer System be assessed 50 percent (50%) upon the real estate taxpayers and 50 percent (50%) upon the users of said system, and to further provide that the repayment formula so adopted cannot be changed unless voted upon at a subsequent Town Meeting.

Thomas Aldrich made an amendment to the amendment. To see if the Town of Walpole will vote to direct the Selectmen to amend the Town of Walpole User Charge System to provide that all capital and interest costs for the Walpole Sewer System be assessed 100% on the user of the system and to further provide that the repayment formula so adopted cannot be changed unless voted upon at a subsequent Town Meeting.

Legal council said it was not a legal motion. Would have to be on the Town Warrant. The Chair would not accept the motion as it was not a legal motion.

Robert Graves spoke re: background of the sewer project, explained the priority list and gave an explanation of the user charge system.

Discussion followed and Edward Potter explained the Town's position.

After more discussion it was voted to move the question. The amendment as presented by Paul A. McGuirk, to Article #20. This amendment substitutes for Article #20.

Amendment passed with a hand vote massively in favor and so declared by Moderator Dr. I. Tucker Burr.

Article #21: To see if the Town will vote to establish the policy that the sewer debt services will be 100% funded by property taxes.

William Webb moved to pass over Article #21 and William Houghton seconded.

It was moved to pass over Article #21 Voice Vote- No opposition.

Article #9: To see if the Town will vote to raise and appropriate the sum of \$6,000.00 for outside auditors for the year 1988.

Article #9 passed; voice vote.

Article #10: To see if the Town will vote to have a complete revaluation by a private appraisal firm that has been approved by the Department of Revenue Administration. Revaluation to be completed as soon as practical.

After a small amount of discussion, Article #10 passed voice vote.

Article #11: To see if the Town will authorize the establishment of a Capital Reserve Fund (pursuant to RSA Chapter 35) for the future revaluation of the Town and to raise and appropriate the sum of \$35,000.00 towards this purpose, and appoint the Selectmen as Agents to administer the fund.

Edward Potter explained the Article and answered questions.

Article #11 passed; Voice Vote.

Article #12: To see if the Town will vote to raise and appropriate the sum of \$10,000. to continue the process of renovating the second floor of the Town Hall in order to bring it into compliance with fire and other safety codes and to make it suitable for general public use.

Cynthia Westover spoke of present renovations and of future plans.

Article #12 passed; voice vote.

Article #13: To see if the Town will vote to raise and appropriate the sum of \$10,000. to continue operation of recycling station at the Walpole landfill.

After discussion, Article #13 passed with a voice vote.

Article #14: To see if the Town will vote to raise and appropriate the sum of \$50,000. for the Landfill Closure Plan as mandated by the State.

Steven Bernstein of SEA Consultants, explained the Article.

Article #14 passed with a voice vote.

Article #15: To see if the Town will vote to raise and appropriate the sum of \$45,000. for the Landfill. Such sum will be used to purchase a new loader, and to withdraw the funds from the Highway Equipment Reserve Fund.

Amendment by Robert Galloway to add the word "Heavy" to Highway Equipment Fund.

Amendment passed.

Amendment by Paul A. McGuirk and seconded by Charles Welch to omit the words "and to withdraw the funds from the Heavy Highway Equipment Reserve Fund".

Amendment Passed.

After discussion; Article #15 as amended: Article #15 to see if the Town will vote to reaise and appropriate the sum of \$45,000. for the landfill. Such sum will be used to purchase a new loader.

Article #15 as amended, passed with a voice vote.

Motion was made and seconded to pass over the lunch break and not break for lunch. Motion passed overwhelmingly.

Article #16: To see if the Town will vote to raise and appropriate the sum of \$10,000. (Ten Thousand Dollars) for the purpose of funding the Walpole Playground Project.

David Edkins moved to pass over. Seconded.

Voice Vote to pass over.

Article #17: To see if the Town will vote to raise and appropriate the sum of \$100.00 for the support of the Ground Monadnock Arts Council, or take any other action relating thereto.

It was voted to pass over this Article.

Article #18: To see if the Town will vote to raise and appropriate the sum of \$550. to purchase and install an air conditioner in the Town Clerk's office.

Article #18 passed, Voice Vote.

Article #19: To see if the Town will vote to extend the new sewer line on Ford Avenue to the end of the Town owned right-of-way and to assume all costs related thereto. Such costs to be incorporated in the overall costs of the new system in Walpole and repayment thereof will be by whatever formula of repayment adopted by the Town of Walpole.

After much discussion, Article #19 passed with a hand vote. Yes 105 No 83

Article 22: To see if the Town will vote to transfer up to, but not to exceed 85% of the old sewer fund balance for the purpose of using said monies to pay the users share of the 1989 sewer construction bond payment.

Article 22: It was voted to pass over. Voice vote to pass over.

Article #23: To see if the Town will vote to adopt the provisions of RSA 36-A:5 which will authorize the Conservation Commission to retain the unexpended balance of its annual appropriation and any gifts of money received pursuant to RSA 36-A-4, said funds to be placed in a separate conservation fund and allowed to accumulate from year to year. The Town Treasurer shall have custody of all monies in the Conservation Fund, and expenditures may be authorized only by majority vote of the Conservation Commission. If money from the fund is to be used to purchase interest in land, the Commission must first hold a public hearing and the acquisition must be approved by the Selectmen.

After discussion Article #23 passed with a Voice Vote-
No opposition.

Article #24: To see if the Town of Walpole will send a message to the Legislature and Governor calling for a comprehensive toxics transition law requiring coordinated programs of planning, research and development, education, enforcement, and economic incentives to achieve toxics reduction by substitution with safer substances.

It was moved to pass over. Article was not by Petition, but by request of outside agency.

Article #24 was voted to pass over. Voice Vote no opposition.

Article #25: To see if the Town will vote to instruct the Town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine, cooler and liquor containers and that all unclaimed deposit monies shall be collected by the State and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects.

Moved to pass over. Article #25 passed over with a Voice Vote.

Article was accidentally left off warrant. I will call this Article 25A.

Article 25A: To see if the Town will vote that any municipality, public entity, private enterprise, or non-resident person that may wish to dispose of solid waste as defined by the State of New Hampshire (including, but not limited to, incinerator ash and leachate) in the Town of Walpole shall be permitted to do so only after an affirmative majority vote of Town voters present at a Town Meeting or a special Town Meeting called for that purpose and that the governing body may at its discretion charge a tipping fee. Said governing body may also negotiate the discretionary tipping fee rate on a case-by-case basis at a duly called public hearing in the Town or take any action thereon.

Nahida Sherman made an amendment to her Article.

Amendment to Article #25A: To see if the Town will vote that any municipality, public entity, private enterprise, and resident and non-resident person who may wish to dispose of, in the Town of

Walpole, septage, refuse and solid waste generated outside the Town of Walpole, including, but not limited to incinerator ash and leachate, shall be permitted to do so only after an affirmative majority vote of Town voters present at a Town Meeting or a Special Town Meeting called for that purpose, and that at the duly called Town Meeting the voters may elect to charge a tipping fee for refuse and solid waste disposal to the applying entity. Should a tipping fee be voted on at the duly called Town Meeting for the applying entity, the tipping fee will be no less than \$50.00 per ton for loose or compacted refuse, and no less than \$40.00 per ton for incinerator ash, leachate, sludge, septage and other forms of solid waste. The terms septage, refuse and solid waste are defined in RSA 149-M-1 and will apply to this Article.

After discussion, amendment to 25A passed overwhelmingly with a hand vote.

Article #26 To transact any other business that may legally come before the meeting.

George Hurlburt presented an Article on Champlain Pipeline.

To see that the Town of Walpole will vote not to have the Champlain Pipeline Co. go through the Town of Walpole until it is proven to be:

1. Economically essential for New Hampshire and
2. Totally safe, environmentally sound, and free of health hazards and
3. Routed along the least disruptive path possible and
4. Fairly and equitably agreed to by the affected land owners.

George Hurlburt did a very well prepared presentation of the pipeline situation. Answered all questions, and told of a meeting coming up in Keene and urged all to attend the hearing on the pipeline.

Harry Westcott spoke in favor of the Article.

Article passed with a Voice Vote. No opposition.

Evelyn Clowes presented an amendment. I move that the Town instruct the Board of Selectmen to provide an annual Town Report to each registered voter of the Town in a timely and uniform fashion.

Passed with a Voice Vote, overwhelmingly in favor of this Article, no opposition.

Directive from Angelo Cetto to have the Selectmen withhold final to sewer until the Road Agent reviews and approves North Walpole streets with the Selectmen.

A cable TV representative proposed a "State of the Art" cable system for Walpole. Moderator decided that this did not actually belong under Article 26.

Town Meeting adjourned at 1:20 p.m.

Respectfully submitted.

Sandra J. Smith
Town Clerk

Town of Walpole, New Hampshire

SPECIAL TOWN MEETING

June 9, 1989

The Meeting opened at 7:05 p.m. with Moderator I. Tucker Burr reading the warrant.

Article 1: To see if the Town will vote to authorize the franchise of an additional Cable TV system in the Town of Walpole.

Article 2: To transact any other legal business.

The moderator opened the floor for discussion. Mr. Wendell explained he wanted a non-exclusive right to compete with the existing cable company.

After much discussion a motion was made and seconded to vote on the question.

Hand vote: 34 yes 15 no It was a vote in the affirmative.

Article 2: There was no other business.

Motion made and seconded to adjourn at 8:20 p.m.

Respectfully submitted,

Sandra J. Smith
Town Clerk

WALPOLE FIRE DISTRICT

WARRANT

To the inhabitants of the Walpole Fire District qualified to vote. You are hereby notified to meet at the Town Hall in Walpole, NH, Thursday, March 15, 1990 at 8:00 o'clock in the evening to act on the following articles:

Article 1: To choose a Moderator for the ensuring year.

Article 2: To choose a Clerk, a Treasurer, and two Auditors for a term of one year; and also one Commissioner for a term of three years.

Article 3: To hear the report of the Chief, the Commissioners, and any others having reports to make.

Article 4: To hear the report of the Treasurer, and see what amounts the District will raise and appropriate for maintaining the Fire Department for the ensuing year.

Article 5: To see if the District will vote to authorize its Commissioners to raise money on notes of the District for current expenses in anticipation of taxes.

Article 6: To see if the District will vote to accept such funds and bequests as have been left to it during the year.

Article 7: To see if the District will vote to raise and appropriate the sum of \$20,000 to be held in Capital Reserve for Equipment Replacement.

Article 8: To see if the District will vote to change the designation "Capital Reserve - Equipment Replacement Fund" to "Capital Reserve Fund - Truck Replacement", as per Department of Revenue Administration.

Article 9: To see if the District will vote to raise and appropriate the sum of \$125,000 for the purchase of a new truck and to authorize the withdrawal of the amount required for this purpose from the Capital Reserve Fund - Truck Replaceemnt.

Article 10: To see if the District will vote to authorize the Commissioners to dispose of the old Fire Station in such a manner as allowed by law.

Article 11: To see if the District will authorize the Commissioners to dispose of the 1969 Ford pumper.

Article 12: To transact any other business that may legally come before the meeting.

Robert Barrett
Thomas Woodward
Roger Santaw
Commissioners

Respectfully Submitted,
Gretchen D. Hurlburt
Treasurer

REPORT OF THE FIRE CHIEF

We answered 78 calls last year - they were, 21 accidents, 6 structures, 4 wires down, 23 mutual aid calls, 3 auto, 5 oil burner or spills, 3 chimney, 2 electrical, 2 rescue, 1 public assist, 4 alarms, 2 lightning strikes, 2 false alarms. We received Mutual Aid assistance 10 times.

We had men participate in training at Meadowood and also had 4 personnel participate and complete the State of New Hampshire Fire Fighter I course consisting of over 100 hours of training. Fire fighting and Rescue training require ongoing education as new materials and devices are ever changing in our homes, factories, and automobiles. I thank all the firefighters for devoting their time towards continuing their education.

We have an active Fire Truck Committee, which is working on the replacement of Engine 2, a 1969 pumper. A new vehicle is solely needed as the 1969 truck is suffering from rust, body and cabinet separation and at 20 years old is becoming a burden. Funds for this vehicle should be in place in capital reserve account of Equipment Replacement.

We have moved into our new quarters. The building has been such an improvement, it is hard to explain what some of the better features are, because it is so much better than anything we have ever had before. I would like to thank the Commissioners and the firemen for doing the majority of any leg work that was needed during construction. The firemen purchased a large TV for training films, two games tables, and a brass slide pole from their own funds to help outfit the station.

Our membership has remained steady for the last few years. We do have positions available within the Department, and anyone interested in joining the Fire Department, contact any member for more information.

The cooperation between the Emergency Services in Walpole is one to be proud of. At this time I would like to thank the Commissioners, Officers, and members for all the help they have given me and the Fire Department over the past year.

Respectfully submitted,

Richard Hurlburt, Chief

REPORT OF THE
WALPOLE FIRE DISTRICT COMMISSIONERS

We call your attention to the Annual meeting of the Walpole Fire District on March 15, 1990 at 8:00 p.m. at the Walpole Town Hall. Please bring the Town Report with you.

This has been a busy year, with the building of the new Fire Station and looking for replacement for 35-M-2 and also making a new home at the Fire Station for the Walpole Ambulance.

The new Fire Station is completed 100%. We were very fortunate in all the help we received both physically and mentally. We most appreciate all that the general contractor John Latham has done for us. Great job John Thank You! We plan to have a ground opening in conjunction with Old Home Day 1990.

We have a committee to study the disposal of the old station. They have done a great job and have placed an Article in the Town Warrant for the Town to vote on. We believe this to be the best use for the building. The money received from the sale of the old Fire Station will be applied to reduce the loan on the new Fire Station.

We have a Truck committee which has worked long and hard to find a replacement for 35-M2. We have a Capital Reserve Fund for the purchase of equipment. The Capital Reserve has been set up on a twenty year turn over of equipment. 35-M2 is a front line pumper which is 21 years old and very tired. We hope to get your approval to replace this truck.

We also would like to thank the Fire Chief, Officers and members for their cooperation and dedication throughout the year.

Respectfully submitted,
Robert Barrett
Thomas Woodward
Roger Santaw
Walpole Fire District Commissioners
